

# THE FUTURE OF HAM CLOSE

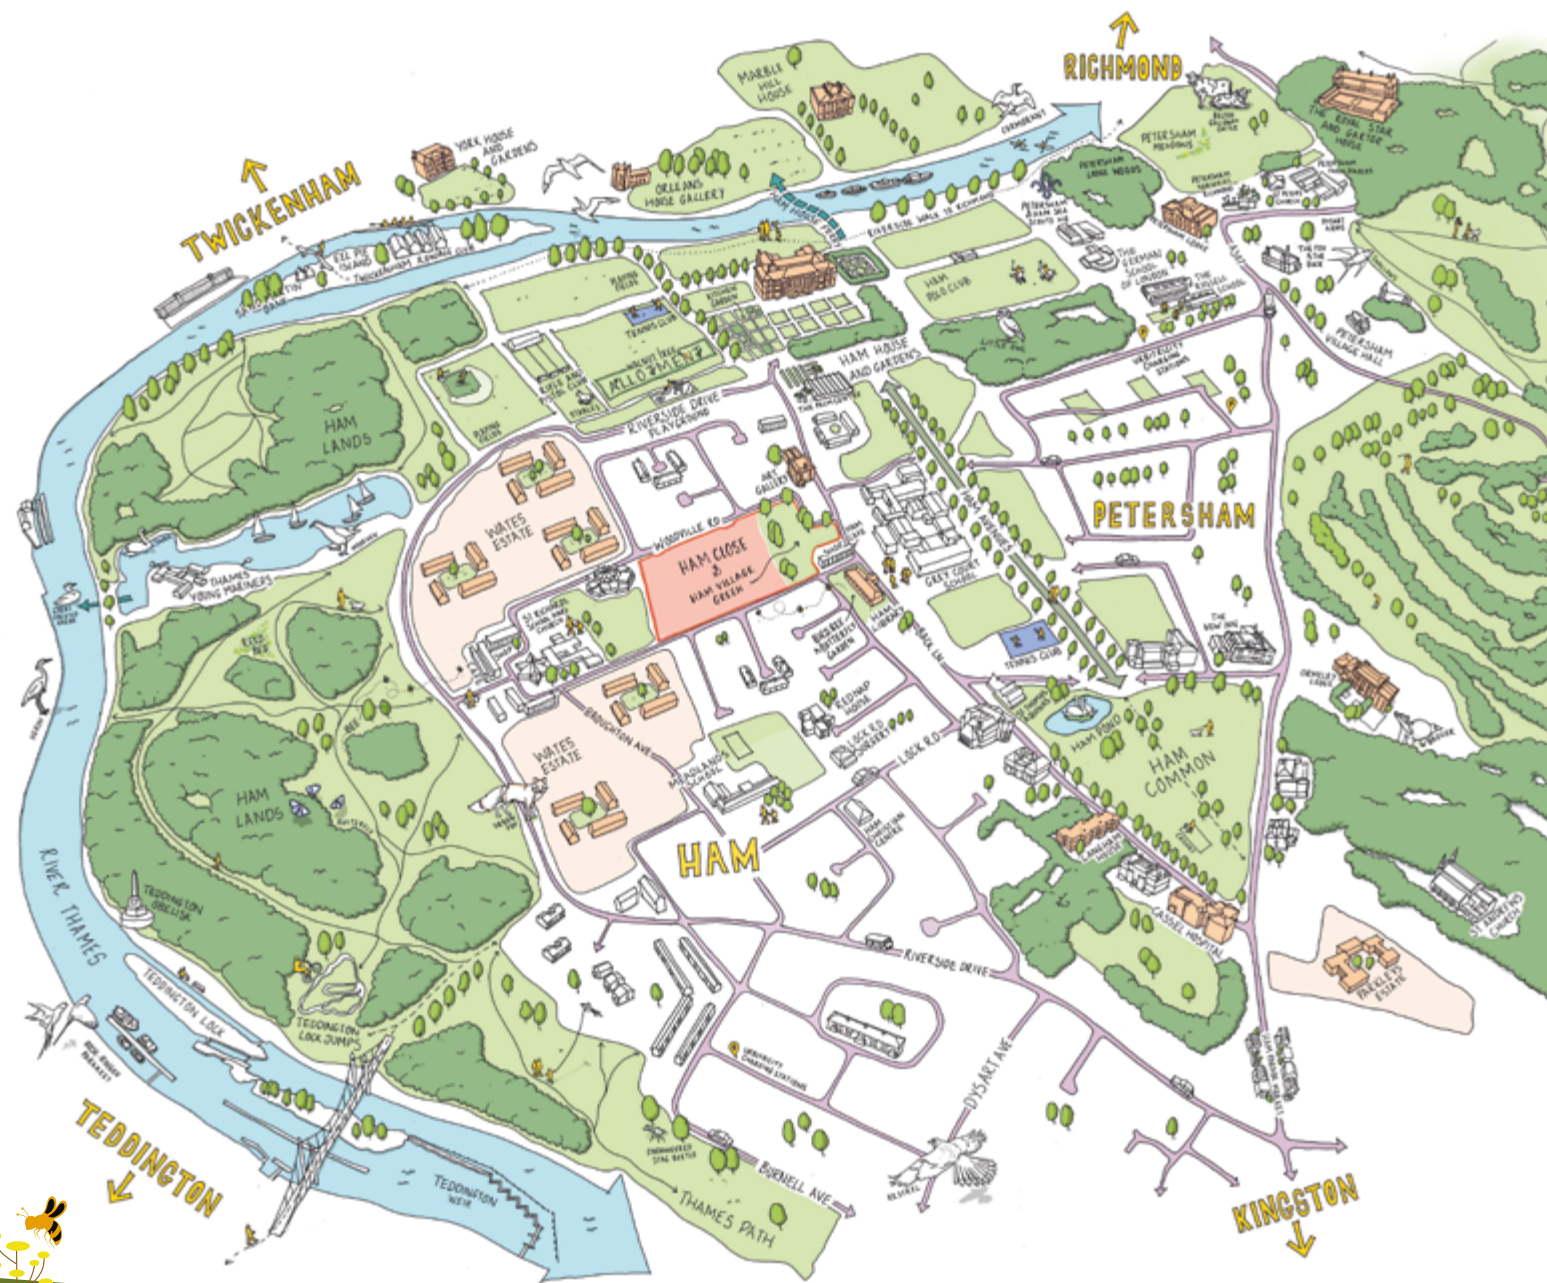

## JOIN THE CONSULTATION

RHP has worked in close consultation with current residents of Ham Close, and the wider community over several years on the vision for the future of Ham Close. This includes ambitious plans to deliver new homes, community facilities and amenities to benefit those living in Ham Close and their neighbours.

Hill has been chosen as the Developer in partnership with RHP. We are keen to meet with you to hear your thoughts and ideas for the Ham Close proposals, of which community, green spaces and sustainability are at the heart.

This leaflet represents the start of the next round of the consultation process and we welcome your input, both now and throughout the coming months as we further develop the proposals for Ham Close.
